Orders of Knighthood made a report, and upon a ballot being taken he was declared Rejected.

E. J. William Ellison presented the following paper on the death of Sir John Lowell Brigham, which was ordered to be entered upon the Journal and a copy thereof sent to the family of the deceased.

To the Officers and Knights of Boston Commandery, N.T.

Recent bereavements in this Commandery forcibly remind us that we live in a world of change, of beauty, of sorrow, and of pain.

That we are subject to sickness, to misfortunes in its thousand forms, - to death. That the graves are opening all around us for the ashes of the dead, calling us to the rights of Sepulture.

Since the commencement of our fall convales, our Knights Moore and Haslet and Dean have fallen like autumn leaves beneath the withering and blasting touch of the chilling frost.

Upon our printed roll of membership, a little star marks the departure of those to that Grand Commandery above where the white robe and golden Crown will be the costume of the Knights who have fought the good fight and kept the faith.

On the 10th of October last Sir John Lowell Brigham, an honored member of this Commandery passed from a bed of suffering and trial to his final rest.

In the complex and diversified duties that Free Masonry calls upon us to perform, it cannot be expected that we should labor in every department with unremitting zeal, but that each should contribute to his favorite institution, his best energies to advance, strengthen and perpetuate the great work of human benefaction.

After

being exalted to the sublime degree of Royal Arch Masonry, Sir Knight Brigham was admitted to the several degrees of the Ancient accepted Scottish Rite, and became a prince of the Royal Secret in De Witt Clinton Consistory.

And it was in that department of Free Masonry that his labors were unreservedly bestowed. Elected to the important office of Secretary of Massachusetts Consistory with a membership of more than seven hundred, he labored assiduously and faithfully in the discharge of the duties of that important office, to the entire satisfaction of those, who held the high places of power and authority in that illustrious body.

His journal and account books were models of neatness, system and fidelity, and when failing health compelled him to transfer his labors to another, so thoroughly were his accounts posted, that his successor entered at once upon the duties of the office without any embarrassment or necessity of explanation.

Although comparatively young in years, it was the lot of Sir Knight Brigham to experience some of the vicissitudes of life. If he found the thorny path of this world, crooked, adverse and forlorn, he had faith, courage & perseverance in the duties set before him, and his earnest solicitude for a good name which is better than precious ointment, always prompted him to the faithful performance of every trust. As a

man he had a generous sympathetic heart, sometimes failing to measure his bounty by his means, but always ready to relieve the necessities of others by any personal sacrifice.

He received the orders of Knighthood in St Omer Commandery, and took membership immediately after in this body. He was strongly attached to templar Masonry and only regretted that declining health prevented him from a constant attendance at the meetings of his Commandery.

But he has completed the record of his transactions here below, and finished the term of his probation.

Let us hope that he has been admitted into the celestial asylum above, to find his name recorded in the Lamb's Book of Life.

Fraternally Submitted,

William Ellison.

Sir Abraham A. Dame, Chairman of a Committee to whom was referred the death of E. P. L. in 1875 presented the following report and resolutions, which were unanimously adopted.

In Boston Commandery March 17th 1875.

The Committee appointed to prepare and submit resolutions on the decease of Eminent Past Grand Commander John Flint make the following Report.

Eminent Sir Knight Flint was born in Petersham in the county of Worcester in this Commonwealth in the month of November 1803, and received an academical Education at Leicester Academy in said county of Worcester. He studied and qualified himself for the practice of the profession of medicine, with a near relative, an eminent and helpful practitioner, located in said Leicester, at the same time attending the medical lectures of Harvard University, where he received a medical degree in 1826, and soon afterwards commenced the practice of his profession in this city, where he has ever since devoted himself, with great industry, fidelity, intelligence and skill to its practice.

His patients became strongly attached to him, giving him their entire confidence, so that few members of the profession in this city have acquired a more generous support and substantial

success in the practice of their profession.

He was also a member of the Massachusetts Medical Society, and was highly esteemed by his associates in that institution. He was likewise a valuable and useful member of the School Committee, in this city, for several years, as also a Director in the public Charitable Institutions.

He was raised to the sublime degree of Master Mason in a Lodge located in said Leicester, before he came to reside in this city. He was exalted to the degree of Royal Arch Mason, in St Paul's Royal Arch Chapter in this city, and became a member thereof in 1831, and was most Excellent High Priest of said Chapter in 1840 and 1841. He took membership in St John's Lodge in 1834 and was its master in 1839 and 1840, and became an Honorary Member in 1860. He

received the degrees in this body in 1832, and its Right Eminent Grand Commander in 1836 and 1837. He was also Most Eminent Grand Master of the Grand Encampment of Mass and Rhode Island in 1842 and 1843. He received the degrees in Boston Council of Royal & Select Masters in 1833 & elected an Honorary Member in 1855.

He was Junior Grand Warden of the most Worshipful Grand Lodge of Mass, in 1852, and Excellent King of the most Excellent Grand Chapter of Mass, the same year.

As a mason he ever discharged the duties devolving upon him in his official relations to the approval and entire satisfaction of his associates, and was always ready and willing to contribute, by his advice, services and otherwise to the promotion of the best interests of the Masonic Institution in all its branches and grades.

Therefore Resolved, That in the decease of Emergent
Sir Knight John Hunt the Boston Commandery
of Knights Templars has lost the services of one of
its most devoted and useful members; one who
at all times and under all circumstances
manifested his desire to promote the highest interests
of not only Templar Masonry, but of Masonry in
all its branches.

Resolved, That we deeply sympathize with his children
in this time of their heavy sorrow.

Signed Abraham A. Dame
Chas Edward Powers
William Sayward.

is Edwin V. Hadleigh, Chairman of the Committee to
whom was referred the death of Sir Charles Hall presented
the following report and resolutions, which were unanimously
adopted, and on motion of Sir James H. Upham a copy
thereof was ordered to be sent to the family of the deceased.

To Boston Commandery of Knights Templars.
Sir Knights

Your
Committee appointed to prepare and present resolutions
on the death of Sir Charles Hall, have attended to the
duty assigned them, and would respectfully submit
the following

Report.

Sir Knight Charles Hall was born in Leeds, England
in 1814, and came to this country about fifteen years ago,
and has been in business in Boston since that period
excepting for a short time in Philadelphia.

At the time of his
sickness and death he was in the employ of the well
known dry goods house of Shepard, Norwell & Co., on
Milver Street in Boston. He died of Typhoid
Fever in February last after an illness of eight or
nine days at the age of Sixty one years, leaving a widow
and two children, but no other relatives in this country.

He was made a Mason in Union Lodge
Dorchester, received the Chapter degrees in St. Matthew's
R. A. Chapter, and in Jan'y 1865 was knighted in Boston
Commandery, losing membership therein Feb'y 15, 1865.

He and his wife united themselves with the
Presbyterian Church under the charge of Rev J. B. Gunn
some two years ago. He was a man who had received
a fine education, and fitted for most any position in life,
a liberal, kind hearted Christian gentleman who won the
respect and confidence of all who came in contact with
him. Be it therefore

Resolved, That in the decease of
Sir Knight Charles Hall we mourn the loss of a true and
courteous Sir Knight who was an enthusiastic admirer of
Templar Masonry, the remembrance of whose many virtues
will long be fragrant and green in our memories.

Resolved, That we extend our heartfelt sympathies
to the bereaved widow and children of our

deceased Sir Knight, who have been deprived of a kind husband and father, their dearest earthly protector and friend, commending them to him whose mysterious ways are fast finding out, but who has promised to be the father of the fatherless, and the widows God, feeling assured that "He doeth all things well."

Courteously Yours

Signed Edwin A. Madleigh

Sir Edward J. Long Chairman of the Committee to whom was referred the death of Sir Wm. T. Holbrook submitted the following Report which was adopted and ordered to be entered on the Journal.

The Memorium

Now let the soul her plumbers break
Let thought be quickened and awake;
awake to see
Now, ere this life is past and gone
And death comes softly stealing on
How faintly!

Let no one fondly dream again,
That Hope and all her shadowy train
Will not decay;
Fleeting as were the dreams of old
Remembered like a tale that's told
They pass away.

Our cradle is the starting place,
Life is the running of the race,
We reach the goal
When, in the mansions of the blest,
Death leaves to its eternal rest
The weary soul.

William T. Holbrook was born at Jamaica Plain, West Roxbury, Mass July 17th 1821. Commenced business in Boston

in about the year 1838. left for California in 1851 where he engaged in business and remained five or six years, after which he returned to Boston, where he has since remained most of the time in business with his brother C. L. Holbrook until the autumn of 1874, when on account of failing health, he again sought the shores of the Pacific Coast in hopes that the mild winter climate of that region might be a benefit; But he who rules in the armies of heaven and among the inhabitants of the earth, has seen fit in his wise providence to remove him hence.

He died at Grass Valley, Nevada County, California March 11th 1875.

His quiet deportment amiable disposition and agreeable manners gained him many friends both among business men and the Masonic Fraternity.

His remains were deposited in the Masonic Cemetery in charge and under the direction of Madison Lodge No. 23 of Grass Valley.

The Nevada Commandery No. 101 Knights Templar of Nevada City furnished an escort for the procession.

Masons from all parts of the county attended, and the services of the order were very impressive.

A large concourse of citizens escorted the remains to the grave, and while the procession was passing through the town, most of the places of business were closed.

Our esteemed Sir Knight was raised in Columbian Lodge Boston June 4th 1863. He received the degrees in Boston Lodge of Perfection, Boston Council, Prince of Jerusalem W. A. M. Chapter of Rose Croix in 1863. Boston Consistory Feb. 19th 1864. Was exalted in St. Andrews R. A. Chapter April 6th 1864. Admitted to membership May 4th 1864, was

made a Knight Templar in Boston Commandery Oct 15th 1864 admitted to membership Nov 16th 1864. He received the degree of select and Royal Master in Boston Council Nov 21st 1865, and admitted to membership Jan 25th 1866.

For some thirty years Mr Holbrook had been a great sufferer from a complication of diseases, originating in rheumatism, terminating in dropsy; scarcely a murmur or complaint however, was ever heard to escape his lips; he bore his sufferings with fortitude and Christian resignation.

An indomitable will, a cheerful and happy disposition kept him ever faithful to his business duties.

He ever manifested a deep interest in the several Masonic bodies of which he was a member, more especially Boston Commandery, from the stated conclaves of which he was seldom absent. His slender, emaciated form, his cheerful, animated countenance, his knightly greetings and cordial grasp of the hand are familiar to most of us.

Mr Holbrook left no immediate family, except brothers and a sister, but he was a most devoted son, an affectionate, unselfish brother, a generous, warm hearted friend.

In his last moments, when the tide of life was gradually ebbing, although with his brother, surrounded by warm hearted business friends, and still warmer fraternal and knightly brothers and companions, yet he expressed a warm desire once more to visit the place of his birth, to grasp the hands of his many friends he was so soon to leave behind; but in this he was not gratified; he has gone to greet the many friends who

have gone before him in that pure Asylum where we all hope to meet.

Till then, friend, brother, Sir Knight
farewell! Sight be the ashes upon thee, and may
the sunshine of Heaven beam bright upon thy waking.

to the death of the Rev Sir George S. Voyce, were not present.

Sir Henry G. Fay Chairman of a Committee appointed
to consider the expediency of Boston Commandery's visiting
New York City upon the occasion of the Dedication of
the new Masonic Temple in June next, submitted
the following Report and Recommendation which
was accepted and adopted.

In Boston Commandery April 21st 1875.

The Committee
authorized to consider the expediency of Boston Commandery's
visiting New York City upon the occasion of the "Dedication
of the New Masonic Temple," in June next, respectfully
submit the following Report.

Your Committee find
that the Commandery has received no special invitation, from

any Masonic body, but only the general one, issued by
the Grand Lodge of New York, to all masons throughout
the country.

It is not to be supposed therefore,
that the Commandery would be the recipients of any
particular Knightly Courtesies, but on the contrary,
owing to the great rush to New York City, at the designated
time, our Sir Knights would be obliged to rely entirely
upon themselves, for their Entertainment and Enjoyment.

Your Committee find a strong desire on
the part of our Sir Knights, to make a longer pilgrimage, at
some future day, and particularly before the retirement
of our present popular Eminent Commander from his
position at our head. If the Sir Knights should
decide to go to New York City, at the time specified, Your
Committee is of the opinion, that the trip can be made
at an expense not exceeding twenty (\$20.) dollars each,
provided not less than One hundred and fifty Sir Knights
should be found in the ranks, and the time not extending
over more than two days and two nights.

Your Committee is of the opinion
however, that but a small number of our Sir Knights are
disposed to take the trip, and they are strongly inclined to
the belief, that the pleasure derived from such an excursion
would not compensate our Sir Knights, for the trouble and
expense. They would therefore recommend that the
subject matter be indefinitely postponed.

Boston May 31st 1875.

Sir William Ellison. Recorder of Boston Commandery.
Dear Sir and Sir Knight

I am in receipt through you of a communication from Boston Commandery under date of the 19th inst., covering an invitation to participate with them in their reception of Richmond Commandery.

For myself and in behalf of the officers and members of St Bernard Commandery I beg leave to extend to Boston Commandery our hearty thanks

for its knightly courtesy and regard.

I have since seen and consulted with my council and several of the members, and we have decided, in view that our By-Laws require us to appear on parade mounted, that it will be impossible for us in the interim to obtain horses and equipments, and practice the necessary drill, besides many of our active members are at this particular time absent from the city, and we, in any event could parade but a small company, and that we are constrained to decline your polite invitation.

It would give me great pleasure to be with you on this interesting occasion and make the acquaintance of the gallant Knights and Gentlemen of Virginia.

May I ask that you will kindly make known to your distinguished guests, these facts, as the reason for our non-acceptance of your kind invitation.

I remain in knightly courtesy
Yours very truly

Reports of Special Committees.

Sir William H. Thomas Chairman of the Committee to whom was referred the death of Sir Edson E. Thympton presented the following report which was accepted and ordered to be entered on the Journal.

Most Eminent Commander,

The late Sir Edson E. Thympton was born in Foxboro, Mass, and died at Hot Springs, Arkansas on the 15th of April 1875, after a long and painful illness. His age was 49 years and eleven months. He was raised and became a member of St John Lodge of Boston in 1857, and received the degree and became a member of St. Paul's I. O. O. F. in the same year. He received the orders in Boston Commandery and obtained membership in 1859.

He was a member of the firm of carpenters, Thympton & Co, and in all his relations through life always conducted himself like a generous and courteous knight.

During the last five years illness alone prevented his attendance at the conclaves of the Commandery.

Your Committee would respectfully recommend the passage of the following resolutions.

Resolved, That Boston Commandery sincerely regrets the death of one of its most valued members, a knight who by his fidelity to masonry, and his generous and upright conduct reflected honor on the Commandery and the Masonic institutions with which he was connected.

Resolved, That a copy of these resolutions be transmitted

to the family of the deceased Sir Knight,...

All of which is respectfully submitted

Signed Wm H. Thomas
Chairman.

Sir John Volume Jr presented the following preamble and Resolutions on the death of Sir Charles Copeland, which were ordered to be entered upon the Journal.

Whereas, It pleased the Eminent Commander of the Universe to remove by death, from his family and friends on the 30th of April last our dearly ^{beloved} Knight and Masonic brother Sir Charles Copeland, therefore

Resolved, That in the death of Sir Charles Copeland Boston Commandery mourns the loss of a genial, faithful and honored member, one whose daily walk in life was a beautiful illustration of the golden rule of doing unto others as we would they should do unto you.

Resolved That Boston Commandery, sincerely sympathizes with the family and relatives of the deceased in the great loss they have sustained and would commend them to the care and protection of him beneath whose outstretched arm they will ever find a refuge and a support.

Respectfully Submitted
Signed John Volume Jr
for the Committee.

Sir George C. Conn presented the following preamble and resolutions on the death of Sir S. Watson Drew, M.D. which were ordered to be entered on the Journal.

Whereas On the 18th day of February last the angel of death pierced the folds of our tent, and removed from a healthy and vigorous activity, the large hearted and faithful Knight and masonic brother Sir S. Watson Drew. As a Christian Knight and Soldier of the Cross he passed away peacefully and resigned, looking beyond the grave for a blissful immortality.

Resolved That the Masonic fraternity, as well as the order of Knighthood has been called to part in this earthly life with one, whose fidelity to its great teachings, whose earnest desire to fulfill all its requirements was exemplified in his every act and duty of life.

Resolved That Boston Commandery can find consolation only, in the death of one of its most cherished members, in the belief that he has been transferred to that brighter world, where the canopy of Knighthood will be laid aside for the robes of an immortal existence.

Resolved That we tender to his aged mother, his bereaved wife and children our sincere sorrow for the loss of an affectionate son, a tender and devoted husband, and a kind and loving father.

Commending them to the care of that heavenly protector who has said "Come unto me all ye that are heavy laden and I will give you rest."

One tenth of which, namely \$359.16, is due the Permanent Fund. W. Grand Lodge of Mass, agreeably to its request, have rendered necessary the postponement of the payment of the amount this year due the Permanent Fund. The amount of quartermasters \$217.50, covered by Life Membership the past year has also contributed to this necessity.

The property of the Commandery, consisting of regalia, &c, is insured for twenty five thousand dollars.

Mortuary.

Report of Special Committee on the death of M. E.
Sir Winslow Lewis.

Rev Sir John R. Bland presented the following memorial, taken on the death of Sir Winslow Lewis which was unanimously adopted by a rising vote and ordered to be spread upon the Journal.

(Boston Commandery October 20th 1875.

Your Committee on the death of our M. E. Past Commander Sir Winslow Lewis beg leave to submit the following Memorial and Resolutions.

The harvest is passed, the summer is ended, the angel of death has put forth his sickle into our sheaves, but has cut down none more rich, more ripe, more ready for the Kingdom, as our M. E. Past Commander Sir Winslow Lewis.

Sir Knight Lewis was born in Boston on the 8th of July 1799, he graduated at Harvard University in 1819. took his degree of M. D. in 1822, and after spending several years in professional study, under the most eminent Surgeons in Europe he returned, and in 1828 was married and settled in his native city. He began at once to acquire a lucrative practice and honorable distinction in his profession. He was chosen at one time Physician of the municipal institutions, of the House of Correction, and was for many years one of the consulting Physicians both of the Mass General Hospital, and the Boston City Hospital.

He was the founder, and for many years the President of the Boston Medical School, the founder of the Gynecological Society, one of the Editors of its Journal, and a member of the American Medical Society of Paris. Yet these were but a part of his public services. There is hardly a way in which a wise and good man can be a help to men in which he did not help them. As a Citizen he was a member of the Common Council, and a representative from Boston to the General Court. As an Educated man he took an active interest in both the common and the higher education, being for years on our School Committee, and a member of the board of overseers of Harvard University. As a New Englander he was connected with, and for five years was President of the New England Historic Genealogical Society.

And for five years he was also President of the Numismatic Society.

As an American he was loyal to, and loved his country, while as a man he loved men everywhere, he crossed the Atlantic fourteen times, and counted among his friends and acquaintances both nobility and kings in Europe.

Yet with all this outward activity and work, his mental Education was continuous. He not only kept fresh and bright his earlier classical and other learning, but also found time to keep up with the living thought and ever widening Culture of our own day; and among his literary and scientific labors may be mentioned, his six volume translation from the French of Gall's work on the "Structure and Functions of the Brain", his editing both of Fayton's and another work on "Practical Anatomy".

It is however as a Free Mason

that he was best known to us, and as such let us now turn our attention to him.

Sir Knight Lewis was made a Master Mason in Columbian Lodge Boston on the third of February 1830, and for many years has been one of the best known Free Masons in our Country. His Masonic record is to be published in full by the Grand Lodge of Mass, of which he was Past Grand Master, and it is therefore unnecessary to give its details here;

suffice it to say that there is scarcely a single position of honor and Eminence in Freemasonry, and in every part of it, both in York and Scottish rite, from the Blue Lodge to the Supreme Council of the 33^d degree, that he did not faithfully and honorably fill. and at the time of his decease he was an active or honorary member of every branch of the Masonic body, and covered all over with the honors and glory that the fraternity everywhere had gladly heaped upon him.

Sir Knight Lewis was dubbed a Knight of the Red Cross in Boston Encampment on the 30th of March 1832, created a Knight Templar on the 16th, and on the 16th of the following May, he became one of its members.

He presided over this body, and was its W. S. Commander from Oct. 1844 to Oct. 1846. he served it as Generalissimo for six years, from 1853 to 1859, in 1856 he was elected one of its honorary members, and in 1869 he was made an honorary member of St John's Commandery in Philadelphia.

He was Grand Captain General of the Grand Commandery of Knights Templars and Appendant Orders of Mass & P. A. in 1868 and 69, and in 1858 and 59 he was

its M. E. Grand Master, and during the latter year he was also Grand Generalissimo of the Grand Encampment of K. T. of the United States.

Yet great as was the honor these positions gave, he held in his nature, a far, far greater.

As a mason he had no superior in Mass. As a Sir Knight he stood alone in Western Commandery. There may have served Free Masonry, and this body is long and as faithfully, may be as lovingly loyal to her interests, as warm in heart, and as white in soul; but there is not a man left among us who has the many, and the richly gifted nature of him who has been taken away. A man of a warm heart, genial presence, sweet, kind disposition, benevolent spirit. A gentleman by birth, courteous in manner, refined in taste, moving in polite and urbane society, and equally at home, and at ease in the palace of a King or the cottage of a peasant.

A scholar too, of rich ripe culture, familiar with both the classics, and the ever changing phases and intricacies of modern science.

Add to all these things a magnetic presence, an abundance of vital power, a social nature, a warm loving living interest in men and things, inspiring his whole nature and every part of it, and you behold before you our M. E. S. Commander Sir Knight Winslow Lewis.

Thus only we seem to see him here now, as we have seen him many times, as we saw him last May. We see him gracefully carrying his sword, with sprightly nervous step he enters our asylum; we see his keen, brilliant eye, his sunny smiling face, his hearty hand shaking,

and warm greeting of brother Sir Knights.

He takes his seat in the East, his conversation is filled with humor, brilliant with wit, and spiced with story. He rises to speak, and Brother Commander does him reverence by becoming hushed into silence. He says a few plain words, straight forward, on some subject before us, and then sits down again. And as in memory we see all this tonight, it is indeed sad to think that in reality, we shall never see it again.

He last met with us on the 16th of June, and was present at the reception of the Richmond Sir Knights in Faneuil Hall.

He left Boston on the 7th of July on a visit to his friend Dr Geo H Gay at Grantville. On the 15th he had an attack of sickness, and on the third of August at twenty five minutes past eleven o'clock in the evening, being in bed, he turned on his right side and said, "I am going to sleep," and at once fell into that peaceful slumber which knows no earthly waking.

Peace, Love and blessing be with his memory. In the poet's altered words

"He has joined that choir invisible
Of the immortal dead, who live again
Whose minds made better by their presence
Have reached that purest heaven, which is being
The sweet presence of, and good diffused among men
And in diffusion ever growing more intense
So has he joined that choir invisible
Whose music is the gladness of the world."

And as Knights Templar, we believe that he has also
trained that choir, visible to spirit eyes, who not with-
lips alone, but who with thought, word and deed,
worship in the nearer presence of God, forever and
forever.

Your Committee beg to offer the following
"in Memoriam" resolutions.

Whereas it has pleased God in
his providence to take from us our dearly beloved and
highly honored W. E. Past Commander, Sir Knight Windsor
Lewis, therefore be it

Resolved That we greatly treasure up in our hearts
our affection for him, and do hereby put upon
record for future generations, our testimony of
the great love we had towards him, and the very
high esteem and honor in which he was held.

Resolved That in his decease we mourn as men the loss
of a pure, good man, a worthy citizen, a
public benefactor, a ripe scholar, a distinguished
physician, and one whose life was a continual
help and blessing to men in nearly every way
that a man can be of service to his neighbour.

Resolved That as Masons we mourn the loss of one,
who uniting with the craft in evil days, and
when nearly all men spoke ill of it, by his
zeal, fidelity, and devotion to the craft,
by his constant practice of all the masonic

virtues, did as much as any one in his day,
and generation to gain for Free Masonry
that high position it now holds, and that
unfeigned respect and honor it now commands
and receives

Resolved That as Knights Templar and as Sir
Knights of Boston Commandery we mourn
the loss of one who was filled with all
knightly honor, grace and courtesy, and
whose great services to the Commandery
entitle him to its fervent and undying
gratitude.

Resolved That we hereby tender our warm sympathy
to his bereaved family, and the assurance
we feel that he is now reaping the reward
of a well spent life.

Respectfully Submitted by your Committee.

Sir William H. Guild presented the following
memorial on the death of Sir Richard Manning
Parker, which was adopted, and ordered to be
entered on the Journal.

The Committee to whom was assigned the duty of preparing a memorial on the death of Richard Manning Barker, respectfully submit the following tribute.

He was born in Boston, Mass, Oct 9th 1823, and after a pilgrimage of nearly Fifty two years, died in the City of his birth August 14th 1875.

Early interested in military affairs, he became from the first an active, efficient & prominent member of the Boston City Guard and of the ancient & honorable Artillery Company. Gifted with rare executive abilities, he held, during his long term of service, various responsible positions in both Corps.

He received the Symbolic degrees in Masonry in St John's Lodge, Boston in February 7th 1848. was exalted to the degree of Royal Arch Mason in St Paul's Chapter April 17th 1849. Received the orders of the Temple in Boston Commandery Nov 29th 1854; and was admitted to membership December 20th 1854. He received the degrees of the ancient & accepted Scottish Rite, to the 32nd grade November 21st 1862. and the honorary grade of M. i. Inspector General 33rd December 18th 1866.

He was a charter member of La Fayette Grand Lodge of Perfection, and its first T. P. G. M. A charter member also of Gates of the Temple Lodge, Rabboni Lodge, and St Mathews R. A. Chapter of South Boston, and in each "regularly passed the chair."

In this brief sketch of the Masonic Career of Sir Knight Barker, your Committee but indicate his term of service and rise from grade to grade, but his

Zeal and energy in every Masonic duty cannot be forgotten.

To this body he was devotedly attached, and it was ever his pride to give the benefit of his military-training on days of public parade. A devoted friend and brother, genial in disposition, kind and charitable in heart, his memory will be ever treasured in the loving hearts who knew him.

Sir James H. Upham, Chairman of the Committee to
 whom was referred the death of Sir J. Frank Palmer
 presented the following Report, which was adopted and
 ordered to be entered upon the Journal.

In Boston Commandery December 10th 1876.

The Committee appointed at the last
conclave of this Commandery on the death of Sir Knight
Frank Palmer, would
Report.

Sir Palmer was born in
Albany, New Hampshire October 2th 1843. where he lived
until near his majority, when he removed to Brunswick
Maine, where he was raised a Master Mason in Moderation
Lodge No 115 August 13th 1866, and Exalted a Royal Arch
Mason in Eagle R A Chapter November 13th 1866. He
soon after came to Boston and was knighted in this
Commandery September 17, 1873, and admitted to
membership Nov 19 following. He died October 28th 1875
of consumption; unmarried.

His body was taken to Maine for
interment, and no funeral services being held here this
Commandery had no opportunity of paying that respect to
his memory so much to be desired, of attending the last sad
rite of burial. His occupation was mostly that of
clerk, and trader; on account of his short residence among
us, he was comparatively a stranger to many even of this
body; by those who had formed his acquaintance he was
highly esteemed. He came among us two years ago in
apparent good health. Shortly after, consumption marked
him as a victim, and he very rapidly wasted away. He
has gone. May the oft repeated lesson of the uncertainty
of our lives, cause us each to remember and obey the
solemn warning, "Be ye also ready."

Resolved, That Boston Commandery sympathizing
with the relatives of the deceased in this
their and our loss, commend them to that
All-wise God in whom we trust, and who doeth
all things well.

ordered to be spread upon the Journal and a copy thereof

In Memoriam.

Sir Edward Mingay.

This hand of death has again entered our lines and
taken thence another of our valued members.

Sir Edward Mingay on the fifth
of January 1876, after a brief illness, passed from the bosom
of his family to "the undiscovered country from where bourn
no traveller returns." He was born in Norfolk, England
on the 20th of June 1820. In his profession as a designer
and pattern master, he was skillful and artistic. Determined
to try his fortune in America, he came to Boston & established
himself in business, which he successfully carried on for
the last twenty years—possessing the confidence and
esteem of all who knew him.

Brother Mingay was a member
of several societies, in all of which he was much beloved
and highly respected. He was made a
master mason in Gate of the Temple Lodge (South Boston)

May 1st 1864, and was admitted to membership Sept 27th of that year. He was exalted to the degree of Royal Arch Mason, in St. Matthew's Chapter April 10th 1865. took membership May 1st the same year.

He was dubbed a Knight Templar in Boston Commandery May 31st 1865, and made a member thereof the 20th of the following September.

In the death of Sir Edward Mingay, we mourn the loss of one of our esteemed and genial Sir Knights. many tender recollections of his knightly courtesy and liberal spirit will live long in the hearts of his many friends.

We deeply sympathize with the family of the deceased in their loss of a kind and affectionate husband, indulgent father, and an honest man. It is sad indeed, to remember we can only gain entrance to heaven through the gate of tears.

We cherish with great satisfaction, the remembrance of his honesty, fidelity, and truth and derive consolation and consolation in the belief that he will

E. Sir Charles Edward Powers, Chairman of a Committee
appointed to prepare a memorial on the death of Sir John E.
M. Gilley, presented the following report, which was
accepted, ordered to be spread upon the Journal, and a
copy thereof sent to the family of the deceased.

To Boston Commandery of Knights Templars.

A recent bereavement has again admonished us
of the oft repeated line "In the midst of life we are in death."

Unable to penetrate the veil which hides from our
finite view this mysterious Providence, it is our duty to submit
with resignation to the decrees of the Sovereign Master and
disposer of events and say "thy will be done."

On the 4th of February last Sir John Emery
Milton Gilley passed from a life of activity and usefulness
to the repose and stillness of death: and those of us

who survive him have the melancholy privilege of
cherishing the pleasant recollections of fraternal and
knightly greetings, of social intercourse with our departed
Sir Knight, and to place upon the records of this Commandery
a tribute to his memory, and our appreciation of those
qualities which distinguish and adorn a true and
faithful Soldier of the Cross.

Sir Knight Gilley was born
in Marblehead Mass, on the 23^d of December 1826 and
died at his residence in Chelsea, on the 4th of February 1876.

In early manhood he removed to Boston and
learned the business of his profession, that of a Banker
and Broker in the office of the late well known and celebrated
O. P. F. Degrand.

After Establishing himself in Business in
Boston he removed to Chelsea, and became interested in
Free Masonry. From Blue Lodge and Chapter, he
applied for and received the orders of Knighthood in
Boston Commandery in March and April 1856 and
on October 15th 1856 was admitted a member. January 20th
1875 he became a Life Member of this body, and his is the
first death we have to record upon that roll.

During his residence in
Chelsea, he was elected a member of the Common Council
of that City, and subsequently for three years was an
Efficient member of the School Committee.

As a husband and
father, he was kind, indulgent, devoted. Firm in
his convictions of an immortality beyond the grave, he
was called away in the very noon tide of life and

vigor. Age had not dimmed his sight nor impaired his powers. It was the decree of the Almighty ruler of the universe, and in tendering to his bereaved widow and fatherless son our sincere sympathy, we, with them submit to the chastening stroke with humility and sorrow.

The Eminent Commander announced the death of Sir Francis Bush, and in pursuance of his

order the Recorder prepared and presented the following Memorial on the decease of Sir Francis Bush, which was ordered in the Journal to be sent to the family of the deceased.
in Boston Commandery of Knights Templars.

Sir Francis Bush, for nearly twenty years a member of Boston Commandery has been called from his earthly labors, to a heavenly refreshment in the Grand Commandery above.

Our recently deceased Sir Knight was born in Westfield, Mass, in August 1800, and died in Boston on the 15th of March 1876, at the ripe age of seventy five years and five months.

Masonic light first dawned upon his vision in Meridian Lodge of Needham Mass, on the 22nd of November 1822. He was exalted to the R. A. degree in Mst Horeb R. A. Chapter of Lowell in Feb 12th 1855, and was created and dubbed a Knight Templar in Pilgrim Commandery of Lowell on June 21st 1855.

Upon his permanent residence in Boston he applied for and was Elected to Membership in Boston Commandery on Nov 18th 1857. He was also a member of Boston Council of Royal and Select Masters.

Such in brief, is the Masonic history of our departed frater. few among the living in our fraternity can trace their Masonic pedigree to so remote a period of time; and the few who still survive him, must soon in the natural course of events, be admitted one by one to a full membership in that Celestial Lodge, where the gavel of the master is the welcome sound for entering into the joy of the Lord. The

retiring disposition of Sir Knight Bush kept him from official activity in the different departments of Free Masonry to which he was attached. Like silver

streams flowing noiselessly into the river of life, his Masonic course "knew no retiring step" but kept due on, bearing precious burdens of fraternity and good will to his fellow men.

In the early part of his membership in this body, he was a constant attendant; but in his later years, the ever exacting business demands upon his time, family afflictions, and failing health, deprived him of the pleasures of a more constant intercourse.

Leaving his native town when only 14 years of age, with all his worldly possessions in a small package, he walked to Boston in search of employment. His success in business was the inevitable result of industry, economy and honesty.

As a husband and father, he was kind, affectionate, devoted; and Boston Commandery mourns the loss of one whose Masonic and business life seemed to be in full accord with the lines of the poet.

"Build your mansions pure my brethren,
From foundation stone to rafter,
Build them for the vast hereafter;
Making strength and beauty blend,
Like a hint of grace supernal,
Like a dream of domes eternal:
Where the shafts of sunrise quiver
O'er the homes beyond the river."

In Boston Commandery N. T. Nov. 21st 1876

The sad announcement just made betokens that another Knight has fallen from our ranks. On the 24th of May 1876. Sir Joseph M Howard passed the lines of our dominions and was ushered into the presence of the sovereign Master of the universe. The masonic history of Sir Knight Howard may be briefly told. He was raised in St. Paul's South Boston on the 21st of April 1852, and became a member on the same date. He demitted in April 1855, for the purpose of becoming a Charter Member of Gate of the Temple Lodge. in 1858 he was elected

N. Master of Gate of the Temple Lodge, and was reelected to that office in 1859. and on the 28th of February 1863, was unanimously elected an Honorary Member. He received the Royal Arch Degree in St. Paul's N. T. Chapter April 19, 1853 and was admitted to membership on the 2^d of May following. He received the orders of Knighthood in Boston Commandery on the 18th of January 1854, and took membership in February 15th of the same year.

Received the Perfection degrees in La Fayette Lodge of Perfection, F. A. C. U. November 22^d 1863, was made a Prince of the R. S. in St. Will. Hinton Consistory December 4th 1863.

Sir Knight Howard was born in South Boston on the 11th day of June 1816, and died in Chelsea Mass May 24th 1876, at the ripe age of 59 years and eleven months.

In the days of his prosperity he contributed freely to the wants of others, in the days of his adversity his brethren gladly and promptly assisted in repaying the debt and comforting as far as possible his earthly ills. In the death of Sir Knight Howard we are again reminded of that "sovereign decree" that it is appointed unto man once to die."

The fiat of nature is inexorable, there is no appeal for relief from the great law which dooms us to the dust. We flourish and fade as the leaves of the forest. And the flowers that bloom and wither in a day have no fairer hold upon life than the mightiest of Earth's monarchs. Men seldom ever think of the event of death until the dark shadows fall across their pathway, hiding from their view the faces of loved ones whose living eyes were the sunlight of their existence.

Our departed Knight and brother met the grim messenger, with courage, fortitude and resignation, looking upon death as his only relief from bodily suffering

but waiting with patience to hear the warning call of the saviour
"Come unto me and I will give you rest." The constant
care and attention of a faithful wife and devoted daughter
were the solace of his departing hours. His body was
committed to the silent grave, followed by the officers of the
institutions to which he belonged, and the members of both of the
Temple Lodge. In performing the funeral ceremonies of the
order, every one felt that the language was not a mere formality,
but came from the heart of every sorrowing brother.

Sir Samuel Mason Jr.

My Dear Frater

Sir M. J. Murray
a member in good standing of Cyrene Commandery #4 of
this city is at Mr. E. H. Adams, 219 Washington St Boston

Will you please extend to him knightly courtesy during
his sickness, and if he is need of funds let me know immediately.

E. C. Mason replied to this communication Oct 14th stating
that he had taken Sir Murray under the care of Boston
Commandery and would give him every attention.

The E. C. of Cyrene Commandery responded as follows.
Memphis, Tenn Oct 26th 1876
Sir Samuel Mason Jr. E. C. Boston Commandery.
My Dear Frater

Your knightly
letter came to hand in due time, and allow me Eminent
Sir on behalf of Cyrene Commandery #4 to thank you for
the sentiment it contained.

I had it read at our stated Conclave
and the Commandery ordered it spread on the minutes.
Judging from the tone of the letter that there was little
hope for his recovery, the Commandery instructed me to
request Boston Commandery, in case of the death of Sir M. J.
Murray to give his remains a knightly burial, the expense of
which will be paid by Cyrene #4. Sir Murray has
always been a true Mason and Sir Knight, and we all
love him, he is a noble man and entitled to all the honors
of a true and valiant Templar. Please let me hear from
you in reference to his condition as we are very anxious to
hear from him. Thanking you again Eminent Sir for your
kindness I remain

Courteously and paternally Yours

E. C. Mason replied to this communication Nov 25, renewing
his assurance that every wish of Sir Murray should be complied
with. On the 21st of December Sir M. J. Murray
passed to his final rest, and by order of the E. C. Commandery
the following official notice of the event was transmitted to Cyrene
Commandery.

Boston Commandery January 6th 1877.
E. Sir Edward Norsham
E. C. of Igrene Commandery, Mer. John Sam
Eminent Sir

You have
already been advised by E. Sir Sam Mason Jr of the death of
Sir Wm J Murray of your command on the 21st of Dec last.

I am directed by the council of Boston Commandery to
announce to you and your command officially his decease,
and the circumstances attending the last few weeks of his
illness. Upon receipt of your letter of the 7th of Oct. E. C.
Mason lost no time in finding the residence of Sir Murray
and communicating the object of his visit, and your request
that he should be tenderly cared for. E. C. Mason and the
Capt Genl of Boston Commandery Sir J. H. Upham paid him
almost daily visits, and with the assistance of Sir Edward
A White supplied all his temporary wants. All that
medical skill could do, and the kind attentions of a
devoted sister and brother Knights, were the consolation
of his parting hours. His request for a masonic
burial was complied with, and on the Sunday following
his decease, the officers of Boston Commandery filling twenty
one jewels attended his remains to their last resting place
at Mount Hope Cemetery some seven or eight miles from the
city proper. The prelate of Boston Commandery, Rev Sir
John H. Blund performed the devotional exercises, and the
beautiful Templar service was conducted by E. C. Mason
assisted by the attending Knights.

The entire expense of his illness
and all his funeral expenses have been paid by the voluntary

contributions of the Knights of Boston Commandery.

Sir Knight Murray's faith and resignation and
filial trust and hope that he would be admitted within
the lines of the heavenly Commandery, there to enjoy the honor
and rewards that await the valient soldier of the cross
seemed to be a consolation to him as he approached the
end.

The Knights of Boston Commandery deem
it a privilege thus to exemplify the teaching of our ritual,
and only desire, as a full and ample compensation for
what they have done, that should any Knight from our
jurisdiction be similarly circumstanced
within the lines of your command, that your knightly
kindness and hospitality will be (as we are sure it will)
extended in a corresponding manner.

With kind regards to the Knights of Igrene Commandery,
Fraternally and Courteously Yours

William C. Mason

This kind and brotherly attention to a stranger, the affectionate care for him in his last hours, and the good but beautiful ceremonies at his grave, will be remembered by us, and treasured as an exemplification of the noblest of our fraternal obligations; - and be assured, that should it ever be our sad duty to be called upon to reciprocate, we will endeavor to emulate an example, that has been so tenderly presented for our admiration.

On motion of the Generalissimo the communication was ordered to be transcribed upon the Journal, and the recorder was directed to make an official response on behalf of Boston Commandery.

The response made by the recorder reads as follows.

In Boston Commandery Feb 27th 1877

To the Worshipful Master and members of South Memphis
Lodge No 118. F & A. Masons of Memphis. Tenn.
Brethren

Your esteemed
communication of the 12th ult, to the officers & Knights of
Boston Commandery was duly received; and I am instructed
by a vote of the Commandery to officially acknowledge the
receipt of the same.

The pleasure of doing good is very much
enhanced by the kind and grateful appreciation of those
who are equally interested in such labors of love and duty.

We are indebted to the Knights and brethren of
Memphis for the privilege and opportunity of administering to
the comforts and necessities of our mutual friend and brother
the late Sir Wm J. Murray.

In the discharge of our duties
and obligations, we have merited the warm hearted expressions
of fraternal love contained in your letter, a nobler recompense
could not be desired. Boston Commandery desires to
thank you for the beautiful sentiments, and kindly wishes
as eloquently expressed, and begs leave to tender her true
regards, and most affectionate remembrances.

Very truly and fraternally Yours

The Eminent Commander presented to Boston Commandery
a beautifully prepared document enclosed in an elegant
frame from Cyrene Commandery No 4 of Memphis, Tenn
expressive of their gratitude for the care and assistance

rendered the late Sir Wm J. Murray by the officers and
Knights of Boston Commandery.

On motion of the Captain General, the recorder
was directed to copy the same upon the Journal, and
make an official response on behalf of Boston Commandery.

The document from Cyrene Commandery reads as
follows.

Asylum of Cyrene Commandery No 4. K. T.
Memphis. Tenn January 22 1877.

To the

Eminent Commander,

Officers and Members of
Boston Commandery No 1. Boston Mass.

Dear Fraters

The
members of Cyrene Commandery number 4, of Memphis
Tennessee, feeling deeply the loving kindness and courteous
attention shown to their worthy Frater, Sir W J Murray, a
member of this Commandery, by the officers and members of
your Commandery, while said Frater was in your jurisdiction,
marked for death, a victim of consumption; are anxious
to show their appreciation of your faithful devotion
and attention to their loved companion, during his
sickness, death, and burial.

We, the Committee appointed
by Cyrene Commandery to discharge that duty are
free to confess that we cannot express in words the real
love and gratitude of our hearts. We are however

satisfied that noble Knights as you have proved
yourselves to be will understand how gratified and
thankful we are for such devotion, and strict conformity
to the tenets of our Order. We with reverence change
the language of our Service enough to say, that as you
have done unto one of our number, we feel that you
have done the same in spirit unto us all - that you
have added a new lustre to the already glorious record;
that you have endeared yourselves to us by ties, that
can never be broken - added a new and softer beauty,
and brighter link to the chain of our brotherhood.

May we not then, humbly ask God's richest
blessing upon you all; hailing you as the truest
soldiers of our order, hoping that we shall never forget
your kindness and attention to our fallen Brother, and
believing that your example will ever make us anxious
and willing to do anything in our power for the glory,
advancement and happiness of any member of your
Commandery.

With our warmest thanks

to our dear Fraters

Yours Courteously,

Signed,

The recorder responded as follows.

To the Eminent Commander, Officers and
Knights of Byrene Commandery No 4, K. T. of Memphis, Tenn.
In Boston Commandery March 5th 1877.

Dear Fraters

The illuminated
copy, enclosed in a beautiful frame of the action of your
command relative to the sickness, death and burial of
the late Sir William J. Murray was duly received by
Express, and was presented and read to the Knights of
Boston Commandery, at our stated Conclave on the evening
of Wednesday February 21st 1877.

Its unanimous reception
was followed by an order from the Eminent Commander,
that the recorder transmit to Byrene Commandery an
official acknowledgement and acceptance of the same.

The Exhaustive language of commendation
and fraternal love, contained in the beautiful
document, leaves a barren field for the undersigned
to cull those choice flowers of rhetoric that could
possibly rise to the level of the occasion.

as Knights
and brethren we are not to be told that we live
in a world of vicissitudes and changes; that we
are all subject to sorrow, sickness and death;
that the graves are opening all around us, for the
ashes of the dead, calling us to the rites of
sepulture.

The ritual of Knighthood

clearly indicates our duty in every such emergency.

But the lineal descendants of our first Grand Master Sir Hugh De Payens, need no such admonition; for the great Captain of our salvation has impressed this duty of filial love upon our hearts, and to do good as we have opportunity, to be good men and true, is among the first lessons taught in Free Masonry:

With sorrowful and sympathising hearts we may rejoice that an opportunity was presented in the death of Sir William J. Murray to exemplify those noble principles of our affiliation which recognises neither sect, party, state lines or nationalities, but proclaims in sweet accord, the golden bonds of a universal brotherhood.

That the death of our dear brother and brother may be a cement to bind together for the future in knightly and fraternal fellowship the Knights of Cyrene and Boston Commandery is the heartfelt wish and earnest desire of every member of our Command.

Accept the grateful assurances of our most affectionate regards and esteem.

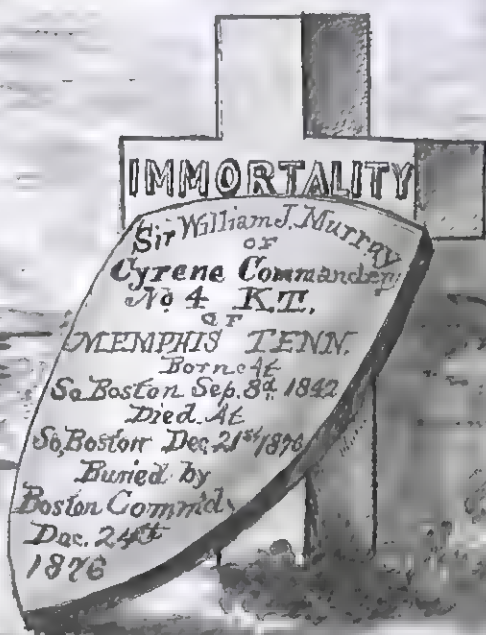

Courteously Yours

The Eminent Commander announced in an appropriate manner the death of Sir Henry J. Bacon, which took place at Arlington on February 9th 1877. He also announced that he had appointed a special Committee consisting of

Charles B. Fessenden
William H. Pardee
Edward Storer.

to

prepare and present a memorial of the deceased.

Sir Charles

B. Fessenden Chairman of the Committee submitted the following Memorial paper, which was unanimously adopted by a rising vote.

In Boston Commandery February 21st 1877.
On Friday

February 9th 1877 the dark shadow of death passed into the household of Sir Henry J. Bacon, and all that was mortal of our beloved Knight and brother, was arrayed in the robes of an immortal life.

Brother Bacon was raised in Hirsh Lodge of Arlington, Mass on the 7th of January 1864, and became a member of that body on the 18th of February following.

He was exalted to the Royal Arch Degree in Menotomy V. & Chapter of Arlington on November 27th 1866 and was immediately thereafter admitted to Membership.

He received the orders of Knighthood in Boston Commandery on May 21st 1873, and was admitted a member on June 18th of the same year. On the 18th of November 1874

he took life Membership in this body, and was at the time of his last illness an active member of his Lodge, Chapter and Commandery. A severe and fatal illness exhausted his physical strength, and set the stamp of death upon his enfeebled frame.

It was a struggle between the immortal soul, irrepressible in its energies, and the frail body hastening to its dissolution: Sickness is indeed the shadow of death, and a hopeless disease is death itself.

To the weak in spirit it often falls like a softened twilight, gradually deepening into that darkness in which no man can work, an imprisonment in fetters in which the iron enters into the soul.

Sir Knight Bacon was born at South Boston on the 12th of May 1830. and at the time of his decease at his residence in Arlington he was 46 years and nine months old.

As a citizen and townsman he was upright, conscientious and exact in all his dealings. As a man, in all his relations to society, whether in his domestic, or other circles, no cloud dims a page of his history. As a husband and father, he was kind and affectionate.

As a mason and Knight, he was always an earnest, zealous and active member, ever ready and willing to labor for its advancement and best welfare. While his death saddens us all, we must remember that an honorable record leaves no indication of man's decay, but speaks only of his immortality.

His remains were followed to their last resting place in Arlington by the members of Merim Lodge, Meritony L. A. Chapter, and a delegation

from Boston Commandery, on Monday February 12th 1877.

Ours let it be to emulate his virtues, cherish his memory, and place upon record, in submissive sorrow, our recognition of the inscrutable decree which called hence from us forever our beloved brother and knight Sir Henry J. Bacon.

Respectfully Submitted

C. Sir Wyseman Marshall chairman of a Committee to prepare a memorial upon the death of Sir Lewis Rice, presented the following, which was ordered to be copied on the Journal and a copy thereof sent to the family of the deceased.

Boston Commandery April 18th 1877

In Memoriam.

"Is not the whole of life to live
Nor all of death to die."

With feelings of profound sadness we are called upon to place upon memorial record the death of another of our honored members.

Sir Lewis Rice was born at Northboro, Worcester County Mass. on the 2nd of November 1809, and passed to that unknown shore from where no traveller returns, on the 15th of March 1877 aged

67 years 3 mo 23 days. On the 15th of March, just before midnight Sir Lewis Rice was awakened by the light of a fire then just breaking out in an adjoining Estate, in plain view, and within about forty feet from the windows of his chamber in the American House. rising and dressing himself without apparent excitement, conversing meanwhile with Mrs Rice he walked towards the door, but before reaching it, sank upon the floor & almost instantly expired.

The cause of his death was paralysis of the heart. He leaves a widow and two sons, both members of St John's Lodge. To the family we extend our kindest sympathies, for surely they are walking in the shadow of a great sorrow.

Sir Lewis Rice during his life filled several positions of public and private trust. He served the city of Boston in the Common Council in 1864, '66 '67 and '68, and as an alderman in 1869. During several years he was one of the board of directors of public institutions, and a justice of the peace for the county of Suffolk. He was at one time connected with the National Sancers. He was ever ready to contribute to any project which bore to the advancement of the interests of Boston, and for many years a regular supporter of various local charities.

Sir Lewis Rice was made a mason in St John's Lodge May 13th 1844, affiliated Sep 2nd 1844. He served the Lodge as steward in 1846 and 47, Junior Warden in 1848 and 49, a member of committee on Charity 1845, 46, 47, 49 and 50. He was elected to the

degree of M. A. M., in St Paul's Chapel Jan'y 14th 1845, admitted to Membership Feb'y 11th the same year.

He was created and dubbed a Knight Templar in Boston (commandery Feb 26th 1845, and became a member thereof April 16th 1845. Advancing age and business cares have prevented his taking any active part in masonic matters for several years past, but he maintained his connection with the institution during his whole life. The last two days of his life he was exceedingly happy, as he felt he could then see the silver lining so long hid beneath the clouds.

"None knew thee but to love thee,
None named thee but to praise."

Respectfully submitted
Sign Wydenham Marshall.

Sir James H. Upham presented to the Commandery a bound copy of the Statutes and Digest of Templar Law.

The thanks of the Commandery were unanimously voted.

Barr submitted the following report, which on motion
of Sir James H. Upham was unanimously adopted,
ordered to be spread upon the records and a copy
thereof sent to the family of the deceased.

In Boston Commandery May 16th 1877

To the Eminent Commander and Sir Knights

The Committee on the decease of Sir
George L. Barr present the following report.

George Lyman Barr, the only
son of Dr James Barr, was born in New Ipswich, NH March
12th 1820. He received his education in the Academy of his
native town. He lost his father at an early age, and his
mother, a woman of uncommon intelligence and force of
character, removed with her family to Medford, Mass. He
soon afterwards found a situation as a clerk in a dry
goods store in Boston, and upon reaching manhood, he
established himself upon his own account in the same business
on Hanover Street, Boston.

He married, Nov 20. 1851, Elizabeth
Maria, the only daughter of Daniel and Elizabeth Lawrence of

Medford.

Mr Barr followed with success the business in which he first engaged, for several years, when he was admitted a member of the firm of Daniel Laurence & Sons, Medford, and continued his connection with the same untill about 1867. Upon his retirement from business, having achieved a competency, and become wearied of active pursuits, he sought only the quiet contentment of domestic life. Averse to all public employments, he yet took the interest of an intelligent citizen in the affairs of the country, and as a resident of Medford, lending a ready hand and purse to the promotion of many good works, his influence was always felt in matters touching the public welfare. He gave special attention to the building up of the fire department of Medford, and continued for several years to take supervision of it as Chief Engineer. This was the only public office he ever held.

Mr Barr had strong predilections for antiquarian pursuits, and gave much of his leisure to the collection of rare, books, coins, and articles that drew their interest from a by gone age. He shared in the enthusiasm of others for his favorite pursuit, and was generous in his contributions to many public and private collections.

He took up his residence in Foughkeepsie N.Y. in 1874, for the purpose of superintending the education of his daughters atassar College. Spending the winter in 1876-7 in Springfield Mass for the benefit of the health of his youngest child who was suffering from malarial fever, he contracted in January a severe cold, which resulted in congestion of the lungs, and with intervals of apparent convalescence, in his death on April 1st

at the age of forty seven years.

Mr Barr left a widow and five children to mourn his loss.

Our Brother Knight Barr was made a Master Mason in Bethel Lodge, New Ipswich N.H Aug 12. 1856. He was exalted to the degree of Royal Arch Mason Feb 4th 1857 in St Andrews Chapter, of which he was for six years a member.

He was created a Knight Templar in Boston Commandery June 11th 1857, and perfected his membership therein Oct 21st 1857, becoming a Life Member Jan 13. 1875. He withdrew from St Andrews Chapter to assist in forming a Chapter at Medford, known as Upsilon Royal Arch Chapter of which he acted as Secretary while it worked under dispensation.

The Chapter was instituted June 18th 1863, and was chartered July 25th 1864, with Mr Barr as one of its charter members.

He received the grades of the Ancient Accepted Scottish Rite in Lafayette Lodge of Perfection 14^o Dec 11th 1868; Giles F Yates Council of Princes of Jerusalem 16^o Dec 18th 1868; Gourgas Chapter of Rose Croix 18^o Jan 23rd 1869; and was created a Sublime Prince of the Royal Secret 32^o in De Witt Clinton Consistory Feb 5th 1869; and was at the time of his death a member of Massachusetts Consistory. He was deeply attached to Masonry and continued to his death his membership in the various bodies with which he affiliated.

In the death of our beloved Brother Knight, the members of our fraternity mourn the loss of a generous and sympathetic friend whose genial qualities of character had endeared him to a wide circle of acquaintance. His too early departure, while it awakens many tender recollections, will remind us of the uncertain tenure by

which we all retain our hold upon life, and will stimulate us to active well-doing during the short period of our earthly existence.

The Committee to whom was referred the subject matter of a Celebration by Boston Commandery of St John's day on Monday June 26th next, submitted a report recommending that the Commandery do celebrate St John's day, and that Melville Garden, Dourner Landing be selected as the place to assemble for said Celebration. The Committee also recommend, "that the expenses of said Celebration be paid solely by the participants, and that the Treasury of the Commandery be not subject to draft for any part thereof." The price of tickets provided not less than 150 Sir Knights participate, to be \$1.00 each for Ladies and \$5.00 for each Sir Knight. Provided however, that if 200 or more Sir Knights tickets are taken, the price to be \$4.00 each.

The Committee also recommend that unless the purchase of 150 gentlemen tickets is assured by the 28th of May, no further steps towards a celebration be taken, as with a less number than 150 Sir Knights, your Committee do not feel that the affair would be successful or creditable.

The Committee further recommend that any Sir Knight not a member of Boston Commandery, may

if touched for by a member, join in the celebration, by paying for a ticket, and appearing in uniform like that of Boston Commandery.

On motion of Sir James H. Upham the report of the Committee was accepted.

Sir James H. Upham then moved that it is the expression of the Commandery to go on this excursion, and to ascertain the minds of the Sir Knights present, a vote was taken which resulted, 47 affirmative, Negative - None.

Sir John L. Stevenson moved that all Sir Knights who would agree to take tickets and participate in the parade be requested to rise. 511 Knights were counted.

(By order of the Sir Master the council recessed from business for the purpose of circulating subscription papers for signatures for the excursion.
117 Knights subscribed.

Sir Stevenson then moved that so much of the report as restricted the participants to wearing the Regalia of Boston Commandery be rescinded, and that they be permitted to wear their own uniform.

By order of the Ancient Commander the following "Memorial" upon the death of Sir Daniel Rickerby has been placed upon the Journal.

Sir Daniel Rickerby was born in Ireland in 1820, and learned the trade of a Slater. Emigrating to this country in his early years he continued to follow his occupation with varying success, in his later years pecuniary unsuccessful, up to the time of his death, which took place in Boston on Monday June 11th 1877, at the comparatively early age of 57 years. "passing away like a full ear of corn, whose ^{blossom} escaped yet withered in the ripening".

Sir Knight Rickerby was made a Master Mason in Massachusetts Lodge Boston, and was exalted to the R A. Degree in St Paul's R A Chapter, April 20th 1868, and became a member thereof on the 15th of May following.

He received the orders of Knighthood in Boston Commandery in March and April 1860, and was admitted to membership on the 16 of May following. At the time of his death he was in full membership in Boston Commandery and St Paul's R A Chapter.

He was usually present at the conclaves of the Commandery, but his retiring disposition kept him from active participation in the proceedings of this body. To the Masonic fraternity his memory will be fragrant with the pleasant recollection that a faithful husband, a good citizen, an honest man, a true Mason has joined the ranks of that invisible army of knights who are marching under the banner of the great Captain of our salvation, let us hope, to the promised land, there to dwell ^{forever} in realms of light, and everlasting bliss. To his desolate and bereaved widow Boston Commandery tenders its sincere sympathies and consolation. His remains were followed to their last resting place at Mt Auburn on Thursday last by officers of Boston Commandery & St Paul's R A Chapter.

An official communication was received from V. E. Mr. Henry
 W. Rugg, G. C. of the G. C. of Mass, and Rhode Island dated

Report, -----

Boston Commandery, Oct. 17, 1877.

Sir Knight Samuel Jepson was born in Boston in December 1808. After leaving school he served an apprenticeship to learn the House Carpenter and Joiners Trade, which business he followed as journeyman and Master Builder until 1863. when he sold out his business and enlisted

1877

Oct. 17 in the 4th Reg. Regiment, it being raised for nine months service, Col. Marsh took Command of the Regiment, and it was ordered to New Orleans. Sir Knight Jepson served with the Regiment as non-Commissioned Officer in New Orleans and other places on the Mississippi River, and returned with the Regiment to Boston at the expiration of their term of service.

After the close of the war Sir Knight Jepson pursued his business as an Architect, so long as he was able to perform any labor.

Sir Knight Jepson was raised to the Sublime degree of M. M. in Mount Lebanon Lodge May 12th. 1850. He was Exalted in St. Pauls Ch. A. Chapter February 21st. 1851. He received the Valiant and Magnanimous Order of the Temple in Boston Commandery Jan'y 13th. 1854, he received the Royal Select and Super Excellent degrees in Boston Council in 1857.

He received all the degrees in the F. & A. Scottish Rite to the 32^d in Mason Hall in 1867. and was an active member of all these Masonic bodies until sickness deprived him of attending the meetings.

Whereas: Sir Knight Samuel Jepson has been removed from our circle of knightly fellowship by death, but not until he had reached a mature and ripened age, not until he had proved himself a faithful soldier of the nation, a sacrificing patriot, a good citizen, a kind friend, a faithful parent, a devoted husband, and a loyal Sir Knight. — therefore, —

Resolved: That while we shall miss his constant presence and faithful example among us, and shall deeply feel the pain of ruptured friendship, we are sincerely thankful to Almighty God, for his constant mercy both in preserving him so long to our Society, and in the kind manner of his being taken from us.

Resolved: That our warmest sympathies are hereby tendered to his Widow and family in their bereavement, and that we shall share with them in all the consolation that may flow from his noble and well spent life.

Resolved: That a copy of these Resolutions be sent to the family of Sir Knight Jepson.

The Committee appointed to prepare a suitable tribute to the memory of Past Eminent Commander Sir William Ellison have the following.

Boston Commandery
October 17. 1877.

In Memoriam.

The bugle note of Death again has sounded and another honored Sir Knight has gone to his rest.

Sir William Ellison Past Eminent Commander of Boston Commandery, was born at Philadelphia Pa on the 22^d of September 1811 and departed this life Aug 23^d 1877 at his

residence in Cottage Street, Boston Highlands, at 11 A.M. R.I. surrounded by his family and friends; aged 66 years 11 months and one day. He leaves a widow and one son, to whom we extend our heartfelt sympathy in this their hour of bereavement.

Eminent Sir William Ellison came to this city with his parents at an early age - was educated in our schools and has been a resident of Boston or vicinity nearly all his life.

In early life he was engaged in manufacturing and later in leather business, but retired from mercantile pursuits over twenty years previous to his death. He has however, since retiring filled several positions of trust, such as Treasurer of various firms and institutions.

He was at one time somewhat connected with politics, having been President of the Common Council of the City of Roxbury in 1855, and a Candidate for Mayor of that City a year or two later.

Sir William Ellison was made a Master Mason in Columbian Lodge May 21st 1846, subsequently he became a member of Mount Lebanon Lodge and continued a contributing member thereof more than twenty years.

He was elected Senior Warden of that Lodge for an unexpired term, but declined further promotion on account of being absent two years from the State.

He was Exalted to the Sublime degree of R. A. Mason in St. Paul's Chapter in February 1851, and was admitted to membership on the 21st of October following.

He was appointed Principal Sejourner and in 1852 was elected Scribe. He received a unanimous vote in 1853 for the office of E. King: absence from the State obliged him to withdraw from further service at that time.

In 1862 he was again elected E. King but resigned in 1863 he

having become connected with the Commissariat of the Army of the Potomac.

While with the Army he obtained from the Grand Lodge of the District of Columbia a Warrant or Dispensation, and with other members of the order, established an Army Lodge for the purpose of work while in winter quarters.

The "Lodge of the Union" was opened for the first time February 29th 1864, when Sir William Ellison was elected Worshipful Master.

In 1875 he was elected and installed M. E. W. Priest of Saint Paul's Chapter of Boston.

He was created and dubbed Knight Templar in Boston Commandery May 21st 1851, admitted to membership October 15th Same Year, and on the same evening was elected Junior Warden, holding that office during six years. He was elected Eminent Commander in 1857, and presided with grace, ease and remarkable ability for four years.

At the time of his death he was Recorder of Boston Commandery, discharging the important duties incumbent upon that office with integrity and fidelity meriting the approval of every member.

Sir William Ellison served the Grand Commandery of Massachusetts and Rhode Island as V. E. Deputy Grand Commander during 1860-61 and was elected in 1862, R. E. Grand Commander of that Grand Body.

He assisted in establishing La Fayette Grand Lodge of Perfection, Giles F. Bates Council of Princes of Jerusalem, Georgeas Chapter of Rose Croix, and R. E. Will Clinton Consistory, all under the jurisdiction of the Supreme Council

1877

Oct 17

for the Northern Masonic Jurisdiction of the United States.
 He was appointed by Letters Patent from the
 Supreme Council on the 21st of November 1862 a R. S. P. M.,
 Inspector General of the 33^d and last degree of the A.
 and A. Rite, and Representative of Massachusetts.

In addition to the foregoing Sir William Ellison, was
 for many years connected with the Order of Odd Fellows.
 He was admitted to membership in Massachusetts Lodge
 of Odd Fellows in 1846 - and in Massachusetts Encampment
 in 1845. - He was Grand Sir of that order for the United
 States in 1855, being the only person from New England
 ever honored by an election to that high position.

He was interred at Forest Hills
 Cemetery August 26, 1877, with Masonic honors. - Boston
 Commandery of Knights Templars took charge of the
 funeral - performed the services at the church in Dun-
 ley Street, Boston Highlands, and also at the grave; where
 the ceremony was conducted according to our ancient usage
 in presence of large delegations of the Brotherhood from the
 several orders to which he belonged, and he was laid quietly
 and peacefully at rest.

Eminent Sir William Ellison, was devoted
 to our institutions, a true friend, and genial man, Conser-
 vative in his views, a ready debater and an eloquent spea-
 ker. - He was usually present at our meetings, and always
 ready to fill any position which might tend to advance the
 interest or add to the glory of our Rite.

Outside of his connection with the different
 Orders of which he was a member, he most enjoyed the calm
 quiet of domestic life.

How sad the heart,

how moist the eye, as we place upon memorial record, one
 by one, the names of Valiant Knights whose lives have been
 made useful to our loved institutions, and who now will
 be seen no more among us.

"How must a Spirit, late escaped from Earth
 The truth of things new, blazing in his eye,
 Look back astonished, on the ways of men,
 Whose lives' whole drift is to forget their graves!"

The Committee appointed at the

last annual Conclave made the following report: _____

Boston Nov. 21st 1877. _____

To the Eminent Commander, _____
and Sir Knights of Boston Commandery, _____

Your Committee appointed at the Annual Conclave held on the 17th of October 1877 to take into consideration the recommendation made by the Finance Committee in regard to the advance in the rate of annual dues, have attended to their duty and respectfully submit the following as their report: _____

Your Committee have endeavored to give the subject their careful consideration and after examining the Finance reports for the past nine years, they find nothing to warrant an increase in the rate of the annual dues. From the last Financial report it appears the Commandery has a fund of \$11,258.87 and are in debt to the amount of \$563.44. Surely not a very alarming state of affairs. The report concludes thus, "In view of the present state of the finances your Committee would recommend an advance in the rate of quarterages in order to meet current expenses." _____

We find from the Finance Report of 1869 that the Treasurer had on hand \$581.85 since which time the Commandery have paid all their bills except the \$563.44 due the Grand Lodge, and have increased the \$581.85 to \$11,258.87 - \$5,250 of which was received for Life Membership. While it is not perhaps in the province of this Committee to make any recommendation they will suggest that there is one item of expense that can and ought to be dispensed with, and that is the paying into the Permanent Fund the 10% of our entire receipts. We have paid into said fund during the last two years \$1015.85. - which sum had we been at liberty to

have used in paying our debts, (which to this Committee at least seems but "Knightly Honor") would have left us with a balance instead of a deficit. The best way we can see out of our present dilemma is to amend Sec. 2 of Article 7 by striking out the words "of one tenth of the entire annual receipts of the Commandery excepting the fee for Life Membership and the income of the Permanent Fund." also the words in the same Sec. "It shall not be considered credit Knightly faith in the Commandery to diminish the rate of increase hereby established." _____

If thought best not to amend we would suggest the suspending for a stated period of time (say 5 years) of the operation of that portion of Article 7 which requires the payment of one tenth of the entire receipts of the Commandery to the Permanent Fund. _____

Without further suggestion your Committee will close their report by simply stating that with the facts before them they do not see any necessity of an increase of quarterages. _____

All of which is respectfully submitted

The Communication by your Recorder addressed to Rev. Henry W. Rugg, now Past Grand Commander, dated the 23^d ultimo, came to hand the 31st, having been referred by him to me as his successor for an answer thereto.

The matter submitted has been considered by me with an interest deepened by the evidence of your zeal in so commendable a direction.

I regret that I am forced to a conclusion adverse to your wishes. Such a body - an association within an association or Commandery - suggests to my mind many objectionable features. Moreover, it is certainly beyond the purpose of your Charter and would be a grave departure from our usages.

In the absence of any real exigency I do not feel justified in establishing such a precedent, and therefore withhold my Consent.

May not the object you seek be attained through a quickened sense of the privileges under which you have so prospered in the past?

In Boston Commandery December 19 1877. The Committee appointed at the last Conclave of this Commandery on the death of Sir Knight May would respectfully report.

Brother William Bird May was born in Roxbury in this Commonwealth on the 23^d of November A.D. 1819 and died Nov. 4th A.D. 1877. He was educated in this City and commenced his business life as a manufacturer of paper. He soon left this employment and engaged in the business of Stock Broker in Boston and was in this vocation for nearly thirty years. He was elected to and served the City of Roxbury in every office except that of Mayor.

He was a member of the State Legislature several times was director of the Mt. Vernon Bank and Metropolitan Rail Road and also a director for the State of the Bridgewater Institution.

September 5. 1850 he was proposed by Bro. McBlellan in Columbian Lodge, Entered Oct. 3. 1850, Crafted Nov. 21. 1850, raised Feb. 6. 1851, became a member March 6. 1851. Demitted Oct. 7. 1858. He received the Capitular degrees in St. Andrew's Chapter, was exalted June 2. 1852, became a member September 1. 1852. Demitted Oct. 2. 1867. He received the Templar Degrees January 19. 1853 and became a member of this Encampment Sept. 20 1854.

Brother May was a loving and devoted husband and father. As a Citizen he was true to the

right, as a business man honorable and just, as an official of unswerving integrity, as a friend sensitive unselfish, big hearted and noble. As a Mason he was loyal and royal.

Bro. May was a remarkable home man, in the cultivation of his intellect, in the cares and perplexities of business life, in the labor and excitement of official duties, in the genial glow of friendly companionship he never deserted his post as husband and father, but at all times and every where the finer sensibilities of his nature showed themselves in continual love and kindness to all. His unselfishness, his great heartedness meliorated the dry actions of every day life and made it a joy to be his wife, a blessing to be his child, and a richness to be his friend.

As a man he was wonderfully magnetic, full of energy and vim. No matter how hard his duties in office, or his labors in business, he never forgot that time when the curtain should drop over day toils, and the wealth of heart should be given to his family. He never brought the cold presence of figures into the glow and warmth of his fireside. He did not live in a little world of his own, his heart was never in the back ground but his every day life had stamped upon its face good acts and kindness. He bridged over the stormy hours which come in every man's life by indomitable will and pluck. In every position he was true to his best judgment and sense of right.

Whereas: Our beloved Brother and Sir Knight May has been taken from us by our Heavenly Father after an honorable and true life,

Resolved: That while we shall miss his genial presence, the world his kindness and acts of mercy, his friends his fidelity, we thank the Good God that the part of his life is so full of sweet memories, that his good thoughts were crystallized into acts of practical Christian

ity and his desires blossomed into good deeds.
Resolved: That while we mourn the loss of the dear brother departed we rejoice that in him we had a faithful member, a true Citizen, a worthy officer and a noble man.

Resolved: That our heartfelt sympathies are hereby tendered to his widow and family in their great loss, and while we shall miss the loss of his presence and influence we have the satisfaction of knowing that for him the last great battle has been fought, the Victor is crowned with glory, and the great problem of his life has been solved.

Resolved: That a copy of these resolutions be sent to the family of the deceased.

For the Committee.

Micah Dyer Jr. — Chairman.

On motion it was Voted: that the report be accepted, the resolutions adopted, and spread upon the records.

This subject having been referred to a Committee, and come upon the notifications of three consecutive stated assemblies, the Committee (consisting of Com. Sir Samuel L. Lawrence, Com. Sir William Sayward, and Com. Sir Samuel Sturges) made the following.

Report.

In Boston Commandery.
February 20. 1878.

Eminent Commander & Sir Knights:

The Committee to whom was referred the amendment proposed to Article 7, Section 2, of the By-Laws, relative to the Permanent Fund of the Boston Commandery, have considered with great care the matter submitted to them, and respectfully report:—

The Permanent Fund of this Commandery was not established by this Body upon any hasty impulse or ill-digested plan, but only after long and earnest consideration and by successive Committees upon the subject. The precise provisions which control and regulate it, as contained in our By-Laws, were found after thorough and extended inquiry to be the only ones which could inspire confidence that it could be preserved as a fund, or which could therefore furnish any real inducement to most of those who have become sole-members to put their moneys into the keeping of the Commandery. The failure and disappearance of the funds of many Masonic bodies, in times of temporary adversity, or under the temptation of some large indulgence, or of the improvidence of a prodigal administration, has created among the fraternity a wide spread distrust of such investments. This distrust your Committee

and frequent, and changing; and the ability and forecast of these Sir Knights were united with those of the Committee to frame such provisions for the government of this fund as would seem to give security that the moneys devoted to this object should not fail to accomplish the proposed purpose. The provisions finally reported and adopted without change, after earnest discussion, were the same now governing the fund, and contained in our By-Laws.

They were intended to form, and they do form, a solemn and binding compact between the Sir Knights who have contributed this fund on the one hand, and the Commandery which has received it, and is receiving, and to receive the benefits of it on the other.

Only by virtue of such a compact, and the ratification of it by the Commandery upon its "Knights faith," that they would never diminish the rate of increase thereby established, was it possible to inaugurate the fund and insure its growth. That ratification was deliberately and solemnly given, and under the faith it imparted a fund has been established and accumulated, which has already returned to the Commandery an amount of available moneys, much larger than, in fact nearly double as much as the sum the Commandery has paid into it under the provisions now proposed by this amendment to be stricken out. This fact alone your Committee submit should be sufficient to determine the rejection of the propositions in the thought of every Sir Knight; but they add to the force of this suggestion the further fact, and one of great importance, that this return will be continually increasing, from year to year, until at length it will result in making the Commandery a wealthy and self-supporting institution, and will ensure its permanence with a rank and position first among the Templar organizations of the United States, as it is now first in numbers and moral influence.

Your Committee call the attention of the Sir Knights to the fact that there is manifest in the larger and more reputable Bodies of our

in order, especially in the great Centers like Chicago and San Francisco, and also in other departments of Masonry, a growing tendency to the establishment of permanent funds, and to these ends, among others; - that the Commandery shall itself be securely permanent and independent under all conceivable diversities; that the members of each Commandery, as they go abroad and become associate members of foreign Sister Commanderies, may contribute as dues to the Body with which they become connected the proceeds of their proportion of the income of such fund, to be transmitted to them, in whatever City or Clime residing, and so to extend the powerful benefits of the order, and make them available everywhere. Convinced of its affairs in this spirit, why may we not hope that the Benefactor organization may ultimately be enabled to institute, establish and endow such institutions of Charity and beneficence, for its honest poor and unfortunate, their widows and Orphans, as shall make it a power felt throughout the world second to no other agency in the breadth of its humanitarian work. The transmission of a Brother's dues from one Commandery to another has already, as your Committee are informed, been instituted by at least two bodies in the United States, the provisions of whose permanent funds in other respects are not superior to our own.

These considerations will of course have a variable weight with the Sir Knights present and much according to the amount of attention and thought which they have devoted to the subject.

Your Committee can not fail to suggest to the Commandery the high moral duty of maintaining pure and whole the faith they have so fully pledged - Upon the basis of that faith alone we should refrain from any violation of the By Laws in this regard, as we would from any pollution of the Temple itself. Knightly honor and fidelity to every engagement, is the motto hitherto emblazoned upon the history of Masonry.

Again the security of a fund constituted as this is, is like the perfectness of female virtue, - the first infringement allowed upon its virgin

integrity is the sure token of its ultimate and entire destruction; or like the symmetry of the perfect ashlar; - the breaking off a corner is a very little thing, but next the roughened surface must be smoothed and next the other or several corners must be broken to correspond; and then the irregular figure must be further made regular, till at last the stone is ruined and fits no place in the building.

In the State and Society also, all great overthrows have beginning in some trifling change that promises to be harmless, and that is never again to be extended, and yet this least infraction is the almost unerring prophecy of revolution and death. Your Committee feel, therefore, impelled by their sincere desire for the best good of the Commandery, to urge upon the Sir Knights, not to begin in any, the slightest degree, the impairing of this fund.

Your Committee again are pressed by another fact, which they in turn desire to press upon your attention, viz this, that there is in this community scarcely any Masonic fund so established as to afford inducement to a wealthy brother to bequeath to it his keeping a share of his wealth; and yet we have among us such brothers, and as your Committee can personally testify, many such, who would desire to make such a bequest, if they could be assured that, while its income should be available, the principal itself should be held sacred and inviolable. We all know how much wealth thus finds its way to other institutions of religion, of science, and of philanthropy, and why not to us, if we could but exhibit the same permanence of funds guarded with the same fidelity?

This compact of the permanent fund was made solemn and binding upon the Sir Knights upon the one hand and the other, as individuals and as an organization, for the very purpose among others of giving this assurance and under the

pledge of "integrity honor"; and it entitles, as you will see, in the terms of the By-Laws the expectation of bequests, and holds out the faith of the Order that they shall be sincerely received and put to use. We have good reason to believe that bequests to this end are already in existence; they are ambulatory and revocable and will probably stand or be annulled as the Commandery shall stand fast to, or loosely let go the Compact of this permanent fund.

These are a few among many Considerations which we would urge for the perfect preservation of the articles in question, and for the rejection of the amendments proposed, and we would fain have the question rightly decided upon these higher and nobler grounds.

— But at the same time we can not refrain from calling your attention to the very trifling exigency, which has given rise to the proposed amendment and to this report upon it. — The Commandery is in debt, or there is a present deficiency to the amount of \$63.44 only, and in this respect not worse in the fact nor in the amount than many masonic bodies in this vicinity, who have no invested funds, and who therefore rely upon their work and a reasonable economy for the means of both paying their current expenses and liquidating their debts. Boston Commandery has a larger membership and receives a much larger sum in actual dues than any of these bodies: — the debt upon us is larger than usual only by the amount of one quarters rent. With the number of Candidates that have offered for the last few years of the depressed times, and the exercise of a somewhat closer economy for a few months in the matter of collations and banqueting the Commandery may be able to meet its current expenses and to fully comply with the provisions of its By-Laws without amendments: and so your Committee report that in their view there is no exigency in the condition or prospects of the Commandery which requires the adoption of the amendment proposed, even if there were not other and higher motives to prevent.

Your Committee further believe and suggest, that if it should be at some subsequent period found that the deficiency still continued in whole or in part, it would be incalculably more for the interest of the Commandery, and more in consonance with the wishes and honor of the Sir Knights that the same should in such exigency be discharged by other means which have already been, and may at some later time be suggested.

Looking singly and with deliberate care to the best good of said Commandery, and judging as they flatter themselves with no personal or sinister motives, but out of a pure and unselfish love for our Commandery, and with a view to the preservation of its noble fame among the Templar bodies of the nation, your Committee make the following report, that the proposed amendment ought not to pass.

— Sir Knights; You believe in "that chastity of honor which feels a stain like a wound", therefore, "let honor be to us as strong an obligation as necessity to others."

Respectfully submitted,

— Samuel L. Lawrence. } Committee

— Samuel Mason Jr. }

On motion of Sir Charles H. Crosby the report of the Committee was accepted — unanimously —

The Sec. Master called upon the Sir Knights of Boston Commandery to thoroughly discuss this subject. — After remarks by a few of the members, it was on motion of Sir Eugene H. The Committee appointed
to present a suitable memorial upon the decease of our
late Sir Knight Charles E. Fox, offered the following.

Asylum of Boston Commandery K. T.

Boston March 20, 1878.

To the Eminent Commanderrd Sir Knights,

The Committee ap-
pointed to draft a memorial on the death of Sir Charles E. Fox,
respectfully submit the following:

Sir Charles Edward Fox

was born in Rockton Ill. Nov. 9, 1840 and died at his residence
No. 685 Tremont Street Boston January 29th 1878. His death
was caused by being thrown from his horse while riding for
exercise as had been his custom, the blow received on his head,
rendered him at once unconscious, and he lay in that condition
until death ensued at 6:30 P.M. of the same day.

Sir Knight Fox came to Boston about
the year 1860, and entered a grocery store at the South end as
clerk and a few years afterward began business for himself in
the same line on Tremont Street which he conducted successfully
until his death.

He took the degrees in Freemasonry, in Mount
Lebanon Lodge, being initiated May 9, 1870, Crafted June 13th

March 20.

Raised Sept. 12th. and admitted to membership Nov. 14th. of the same year. He received the degree of Mark Master May 1. 1871. Past Master and Most Excellent Master March 1. 1871. and was Exalted to the Sublime degree of Royal Arch Mason March 23. 1871 in St. Andrews Royal Arch Chapter, and was admitted to membership January 3. 1872. — The Order of the Red Cross was conferred upon him in Boston Commandery May 17. 1871, Knight Templar and Knight of Malta June 21. 1871. He was received as a Member September 20. 1871. —

Our late Sir Knight was a member of Commonwealth Lodge I.O.G.F. —

As a military man he left an excellent record, which is as follows: he enlisted as a private in Co. C. 1st Rhode Island Cavalry Aug. 14. 1862, was made Corporal August 1863, Captain August Dec. 21. 1864. mustered out of service June 6. 1865. Served as a private in Co. C. 1st Mass Cavalry N.V.M. from May 9. 1872 to May 15. 1873. Sergt. Major of the Battalion from May 15th. 1873 to March 31. 1875, 1st Sergeant Co. D from March 31. 1875 to January 12th. 1876 when he was elected 2^d Lieut. which Commission he held at the time of his decease.

He was also an active and valued member of the Ancient and Honorable Artillery Company. —

Sir Knight Fox leaves a widow to mourn his loss, and to her we proffer our profound sympathy in her great bereavement, assuring her that we mourn with her the loss of him who while bound to her by the golden cords of love and affection, also bound us to him by his pure life, generous nature and knightly courtesies toward all he met. It was the good fortune of each of us to have enjoyed the personal friendship of the deceased, hence they at least feel assured that no eulogium of theirs can add one ray of glory to the character of the departed, a good son, a good husband, a good citizen, a good Templar, what more

can or need be said, let his monument be the esteem in which he was held by all who knew him as attested by the thousands who attended his obsequies, and may the reflections of those who mourn him, evermore bring his kindly acts, and worthy deeds, and weave of them a garland to enshrine his memory, forever sacred, where the acacia, pledge of fond remembrance blooms. —

Presented in Love, Honor and

— Knightly Courtesy.

— John D. Stevenson. }
— Charles C. Burrill. } Committee.
— Fred. S. Risten. }

On motion it was voted: that the memorial be accepted, spread upon the records, and a copy sent to the widow of the deceased. —

A communication was received from William Jones, Brighton District, soliciting a fraternal part of the Chapter, aid to them in the burial of their Hon. Bro. Sir Knight Eben J. Jones.

On motion of Sir John H. Eaton it was voted: that the communication be referred to the Council with full powers. —

Sir George M. Cook, made a written request through Sir Wm. C. Uhlman for a discharge from Boston Commandery.

The Council having remitted his dues, it was on motion Voted: that he be honorably discharged.

Sir Edward Coggin during the evening, paid the requisite sum, and became a Life Member.

The Committee appointed at
the last Conclave to prepare and present a suitable memorial
on the death of Sir Philander J. Forristall made the
following,

Report.

— In Boston Commandery.
— May 15, 1878.

Your Committee appointed at the last regular Conclave, to
prepare a suitable tribute for our Records in memory of our deceased

Sir Knight Philander Jacobs Forristall, would cautiously submit the following:

Again we are reminded that "in the midst of life we are in death." Death steals upon us with inaudible steps, and thins our numbers in every relation of life; takes from our domestic hearths our hearts treasures, and in the wider sphere of society makes his invades on associations hallowed by love and friendship.

In the autumn of life, in the midst of his days, Sir Philander Jacobs Forristall has been summoned from the wife and children, whose love so endeared him to the domestic joys of his pleasant home; from his partners and associates in business life; from the place of public worship, where his seat had been so long vacant, and from the earthly fellowship of his masonic Brethren, to whom he was bound by ties of sincere affection.

But from all the associations that will know him no more in this earthly pilgrimage, will come the enduring testimony, "that a good man has fallen"; honest in all his dealings, persevering and attentive in business, and who by his integrity had secured for himself a position of honor and esteem.

Philander Jacobs Forristall was born in Royalston, this State, on the 3^d day of July 1823. He died near his country residence at Athol Mass., on Thursday March 28. 1878, aged 54 years, 8 months and 25 days.

He was made a Mason in Star of Bethlehem Lodge, Chelsea, April 4th. 1855; was one of the petitioners, and became a "Charter Member" of Joseph Warren Lodge, of this City, in 1857. Of this Lodge he was the first Treasurer, and advanced the money for the Lodge to purchase its jewels and Regalia. For the next five years he held the office of Chaplain, and on the 10th of June, 1875, was made an Honorary Member.

He was initiated in St. Andrews Royal Arch Chapter Jan'y. 21. 1856, and admitted a Member March 6. of the same year. Received the Orders in, and was admitted a Member of Boston Commandery Oct. 15. 1856, and had also taken all the degrees of the "Scottish Rite" to the 32^d.

In the twenty one years that Sir Knight Forristall has been a member of Boston Commandery he has ever retained the love and respect of his brethren, and now that he has been called to that higher and better life, we would testify our respect to his memory, by placing on our records the acknowledgment that he has left on our hearts the impress of a good man, and brother, an example of a life well spent and rounded to an honorable close:

We propose the following resolutions for adoption by Boston Commandery:

Resolved: That the members of this Commandery mournfully realize, that in the death of Sir Philander J. Forristall, we have lost an earnest, faithful and exemplary associate: one who, by his kindness of nature, and genial cordial manners, and useful life, marked him as a man to be missed from any Community.

Resolved: That it is with unfeigned satisfaction we contemplate his earthly career, which affords so many examples of uprightness, kindness, and steady devotion to his duty and principles, worthy of our imitation.

Resolved: That we extend our deepest sympathies to the Widow and children of our deceased associate, and while we join in mutual sorrow, we would also remind her, and them, that death is but transition to a better life; that

— "Beyond the Calming and the fretting, —
— Beyond remembering, and forgetting, —
— Is love, rest, home." —

Resolved: That the Recorder be instructed to forward to the family of our deceased Sir Knight an attested copy of the foregoing.

All of which is courteously presented by your Committee.

— Samuel Mason Jr. } Committee
— Ivory H. Pope }
— Chas. C. Temple }

On motion it was unanimously voted: That the memorial be accepted and the Resolutions adopted.

The Sovereign Master announced the death of Sir Laurence Page, and on motion of the Recorder, it was unanimously voted: That a page of our Records be inscribed to his memory.

The Sovereign Master having been informed that the R. E. Grand Commander was in the ante-room, he appointed as a Committee to wait upon, and escort him into the Council Chamber,

Em't. Sir Samuel L. Lawrence, —

Em't. Sir Charles L. Dames, —

Em't. Sir Daniel Harwood, —

Em't. Sir Wm. Sayward, —

Em't. Sir Samuel Mason Jr. —

Em't. Sir the Rev. Lucius R. Paige —

Then attended to the duty, escorted by a detachment under the command of the Master of Infantry, and introduced R. E.

— Providence R. I. —

— Arrived at Boston Commandery
— Thursday Jan 18, 1878, —

According to an invitation issued by the Eminent
Commander, and by dispensation of the R. E. Grand
Commander of the Grand Commandery of Rhode
and R. I., the Sir Knights of Saint John's Commandery
to the number of 133 assembled in the Armory,
at 5 o'clock, P.M., and a half hour later, in full
Templar Regalia, marched to the depot of the
N. Y. & N. E. R. R., where taking special cars, they
arrived at the Armory of Saint John's Commandery
in Providence R. I. at about 8 o'clock, and were wel-
comed in form by Sir Walter S. Vincent, representing
acting Eminent Commander of St. John's Commandery.

The impressive manner in which
the Order of the Temple was conferred, was much
enjoyed by our members; at the conclusion of which
the Grand Commander of the Grand Commandery
of Mass. & R. I., the R. E. Sir John Dean, who
accompanied Boston Commandery, addressed the
Sir Knights present in an interesting and entertaining
speech, alluding to the fact that he was proud to
be in command of a Grand Body that comprised
two such venerable institutions as those he then
had the pleasure of addressing, viz: Saint John's
of Providence the oldest Commandery in America,

and Boston Commandery the next in years.
At the conclusion of the R. E. Grand
Commander's address, the acting Eminent Commander
of St. John's Commandery invited those present
to repair to the Banquet Room, where the time
was spent in discussing the merits of
the proposed Special Ballot at 11:30 P.M. At
this time the members of Boston Commandery
expressed a special train furnished by Sir R.
H. & then a cup of the N. Y. & N. E. R. R. road, which
was in position and relieving the Lord Speed of
St. John's Commandery, arrived safely after
11:00 P.M. and all were pleased with the
very enjoyable, agreeable, and pleasant pilgrimage.
